

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Richard Keefe
DOCKET NO.: 05-26794.001-C-1
PARCEL NO.: 05-35-307-034-0000

The parties of record before the Property Tax Appeal Board are Richard Keefe, the appellant, by attorney Patrick J. Cullerton of FagelHaber, LLC, Chicago; and the Cook County Board of Review.

The subject property is a vacant 36,163 square foot parcel located in Wilmette, New Trier Township, Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted evidence disclosing the subject property was purchased in October 2002 for a price of \$175,000. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$63,646, which reflects a market value of \$289,300 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 1-00 property of 22%. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the purchase price.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	38,500
IMPR.:	\$	0
TOTAL:	\$	38,500

Subject only to the State multiplier as applicable.

further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted evidence disclosing the subject property was purchased in October 2002 for a price of \$175,000. The subject's assessment reflects a market value greater than the purchase price. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$175,000 as of January 1, 2005. Since market value has been determined the 22% level of assessment for class 1-00 property under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
